- We suggest you design your poster layout as follows:

- Title, author, address (on the upper edge, across the width of the whole poster)
- Introduction and purpose
- Methods
- Results
- Conclusions

- This lettering should be readable from at least 1m distance, this means: normal text 24px min., titles 56px min., preferably in fond `sans serif` (e.g. Verdana).
- Text should be kept to a minimum, while figures and tables should be large.
- To promote your work you may like to bring handouts for distribution to interested delegates.
- Poster numbers will be provided and fixed at each poster wall. Your poster number can be found from June 2017 on the Clay Conference's website www.clayconferencedavos2017.com under "scientific programme". (Material to affix the posters will be provided.)
- From the middle of July, a link can be found on the congress website to a professional **poster production service**.
- Please strictly adhere to the mounting and removal time. If the poster has not been removed by the end of the allocated removal time, it will be disposed of by congress staff.
